Reporting questionnaire

Gender equality indicator 1: Gender composition of workforce

This indicator seeks information about the gender composition of relevant employers in a standardised format, to enable the aggregation of data across and within industries. The aggregated data in your workplace profile assists relevant employers in understanding the characteristics of their workforce, including in relation to occupational segregation, the position of women and men in management within their industry or sector, and patterns of potentially insecure employment.

NB. IMPORTANT:

- References to the Act mean the Workplace Gender Equality Act 2012.
- A formal 'policy' and/or 'formal strategy' in this questionnaire refers to formal policies and/or strategies that are either standalone or contained within another formal policy/formal strategy.
- Data provided in this reporting questionnaire covers the TOTAL reporting period from 1 April 2019 to 31 March 2020. (This differs from the workplace profile data which is taken at a point-in-time during the reporting period).
- Answers need to reflect ALL organisations covered in this report.
- If you select "NO, Insufficient resources/expertise" to any option, this may cover human or financial resources.

1.13 If your organisation would like to provide additional information relating to gender equality indicator 1, please do so below.

Gender equality indicator 2: Gender composition of governing bodies

Gender composition of governing bodies is an indicator of gender equality at the highest level of organisational leadership and decision-making. This gender equality indicator seeks information on the representation of women and men on governing bodies. The term "governing body" in relation to a relevant employer is broad and depends on the nature of your organisation. It can mean the board of directors, trustees, committee of management, council or other governing authority of the employer.

2. The organisation(s) you are reporting on will have a governing body. In the Act, governing body is defined as "the board of directors, trustees, committee of management, council or other governing authority of the employer". This question relates to the highest governing body for your Australian entity, even if it is located overseas.

2.1 Please answer the following questions relating to each governing body covered in this report.

Note: If this report covers more than one organisation, the questions below will be repeated for each organisation before proceeding to question 2.2.

If your organisation's governing body is the same as your parent entity's, you will need to add your organisation's name BUT the numerical details of your parent entity's governing body.

2.1a.1 Organisation name?

Merri Health

2.1b.1 What gender is the Chair on this governing body (if the role of the Chair rotates, enter the gender of the Chair at your last meeting)?

	Female	Male
Number	0	1

2.1c.1 How many other members are on this governing body (excluding the Chair/s)?

	Female	Male
Number	4	3

2.1d.1 Has a target been set to increase the representation of women on this governing body?

- Yes
- No (you may specify why a target has not been set)
- Governing body/board has gender balance (e.g. 40% women/40% men/20% either)
 - Currently under development, please enter date this is due to be completed
 - Insufficient resources/expertise
 - Do not have control over governing body/board appointments (provide details why):
Board appointments are done via community membership nomination and vote, Merri Health does not have the constitutional right to make board appointments with exception of 4 specialist recruitment appointments. However woman representation and gender balance is discussed at board level and noted.
 - Not a priority
 - Other (provide details):

2.1g.1 Are you reporting on any other organisations in this report?

- Yes
- No

2.2 Do you have a formal selection policy and/or formal selection strategy for governing body members for ALL organisations covered in this report?

- Yes (select all applicable answers)
- Policy
 - Strategy
- No (you may specify why no formal selection policy or formal selection strategy is in place)
- In place for some governing bodies
 - Currently under development, please enter date this is due to be completed
 - Insufficient resources/expertise
 - Do not have control over governing body appointments (provide details why)
 - Not a priority
 - Other (provide details):

2.3 Does your organisation operate as a partnership structure (i.e. select NO if your organisation is an "incorporated" entity - Pty Ltd, Ltd or Inc; or an "unincorporated" entity)?

- Yes
 No

2.5 If your organisation would like to provide additional information relating to gender equality indicator 2, please do so below.

NA

Gender equality indicator 3: Equal remuneration between women and men

Equal remuneration between women and men is a key component of improving women's economic security and progressing gender equality.

3. Do you have a formal policy and/or formal strategy on remuneration generally?

- Yes (select all applicable answers)
- Policy
 - Strategy
- No (you may specify why no formal policy or formal strategy is in place)
- Currently under development, please enter date this is due to be completed
 - Insufficient resources/expertise
 - Salaries set by awards/industrial or workplace agreements

Gender equality indicator 4: Flexible working and support for employees with family and caring responsibilities

This indicator will enable the collection and use of information from relevant employers about the availability and utility of employment terms, conditions and practices relating to flexible working arrangements for employees and to working arrangements supporting employees with family or caring responsibilities. One aim of this indicator is to improve the capacity of women and men to combine paid work and family or caring responsibilities through such arrangements. The achievement of this goal is fundamental to gender equality and to maximising Australia's skilled workforce.

5. A "PRIMARY CARER" is the member of a couple or a single carer, REGARDLESS OF GENDER, identified as having greater responsibility for the day-to-day care of a child.

Do you provide EMPLOYER FUNDED paid parental leave for PRIMARY CARERS that is available for women AND men, in addition to any government funded parental leave scheme for primary carers?

Other

18. If your organisation has introduced any outstanding initiatives that have resulted in improved gender equality in your workplace, please tell us about them.

(As with all questions in this questionnaire, information you provide here will appear in your public report.)

Removed eligibility period to access employer-funded paid parental leave for both primary and secondary carer (early than WGEA requirement) and have an approved business case to have superannuation to be paid on government-funded paid parental leave schemes and increase Secondary carer parental leave – increase to 4 weeks (early then required by WGEA).

Gender composition proportions in your workplace

Important notes:

1. Proportions are based on the data contained in your workplace profile and reporting questionnaire.
2. Some proportion calculations will not display until you press **Submit** at step 6 on the reporting page in the portal. When your CEO signs off the report prior to it being submitted, it is on the basis that the proportions will only reflect the data contained in the report.
3. If any changes are made to your report after it has been submitted, the proportions calculations will be refreshed and reflect the changes after you have pressed **Re-submit** at step 6 on the reporting page.
