- ***Minimum durations** apply
- **A report is provided for all initial assessments**
- **Group programs** are priced at \$50 per session following initial assessment of needs and suitability.
- **Late cancellation** fees apply (up to 1hr charge) when Merri Health is provided with less than 24-hours' notice.

All services are provided by experienced clinicians either in your own home or at a clinic depending on your individual needs. Please note travel, reports and admin are all charged at the hourly rate. All the above prices are GST exclusive. Prices may be adjusted at any time on reasonable notice to you.

We offer a wide range of treatments and groups to help you. An example of what these programs can offer include:

Healthy Feet
Keep your feet healthy with a comprehensive podiatry foot assessment and ongoing care.

Safety at Home
Comprehensive home assessment from an occupational therapist. Includes recommendations and trial of aids and equipment to support independent living.

Merri Movers
Comprehensive function-based assessment by a Physiotherapist with 1:1 or group-based exercise program to optimize functional capacity.

Staying Stable
Comprehensive falls and mobility assessment and multi-disciplinary group program.

Mind Matters
Support for any changed behaviors related to dementia by allied health.
